**FREADING**
a new look at library lending

# Freading on a Computer and eReader

1. Using an Internet browser, visit **http://freading.mathewslibrary.org**
2. Log in using your **Library Card Number** and **PIN**.
3. If you don't already have **Adobe Digital Editions** installed, you can download and install it from this page. Follow the prompts on the screen. to create an **Adobe ID**.
4. Browse the collection for an eBook.
5. Click on the eBook cover and select the **[Download epub]** link below the cover.
6. A dialog box will appear. Click the **[Open]** button to proceed with the download. *(NOTE: If you are using Safari on a Mac, you will have to open the **Downloads** folder and double-click on the eBook file to open it)*
7. The eBook will open in **Adobe Digital Editions**. You can enjoy the eBook on your computer.
8. If you would like to **transfer Freading eBooks to your eReader**, start by connecting your eReader to your computer.
9. Adobe Digital Editions will recognize the device the first time you plug it in. Go through the setup assistant to activate your eReader.
10. On the top left corner of the screen, click the **[Library View]** option. The eReader icon will appear on the left panel of the screen.
11. Drag the eBook from the borrowed items list and drop it on top of the device's icon. The eBook will be transferred to your device.

**Help with your PIN:** The PIN required to access Freading is the same as the password used to access your library account online. If you have not created a password for your account, click the "my library Account" link on the library website (www.mathewslibrary.org). Enter your barcode number and the temporary password, "userpass". You will be presented with a dialog box where you may enter a new password. If you have forgotten your password, please ask staff to reset it for you.
